

## THANK YOU FOR YOUR SUPPORT OF DRESS PURPLE DAY OCTOBER 24, 2017!

Thank you for joining us in our mission to support families and keep kids safe. On Dress Purple Day 2017 we collectively shared a positive message that child abuse and neglect can be prevented and that help is available.

We hope you will join us again in October 2018 as we continue to bring this important message of awareness and prevention to our communities. We deeply appreciate the education community's dedication to the well being of our children. Together, we are kids' greatest advocates.
