

FOR IMMEDIATE RELEASE: May 30, 2018

(Ohsweken, ON) Six Nations Educations – Life Long Learning Task Force is seeking input about the future of Life Long Learning for all ages at Six Nations.

**What is Life Long Learning?**

Learning takes place on an ongoing basis from our daily interactions with others and the world around us. Life long learning is not confined to childhood or the classroom but takes place throughout life and in a range of situations.

**What is the purpose of the Life Long Learning Task Force?**

The Task Force purpose is to create a world class Education System that is based on language and culture for Six Nations of the Grand River. We will conduct a review of the Education System based on where we are now and into the future.

**Who is involved in the Life Long Learning Task Force?**

The Life Long Learning Task Force has representation from all schools and stakeholders on Six Nations as well as Social Services, Health Services, Human Services, the Language Committee, Kawenni:io, the Everlasting Tree School, Community Planning, Six Nations Polytechnic and the Grand River Post-Secondary Education Office.

**What will the Life Long Learning Task Force do?**

The Task Force has funding to identify what is needed to meet our students and community needs for life Long learning.

**How will this be done?**

The Task Force will contract for services to:

- a) Engage with parents, families and the community at large for input.
- b) Determine the cost to meet our education needs.
- c) Prepare a report to the community

The Life Long Learning Task Force delegated its Steering Committee to get this important work underway. The Task Force is pleased to announce that Connie McGregor, a Six Nations educator, will coordinate these efforts beginning June 1, 2018.

Please look for updates from Connie after June 1<sup>st</sup>.
