EVENT BOOKLET

SIX NATIONS OF THE GRAND RIVER

A MESSAGE FROM THE CEO

Community Awareness 2024 is here, and what an exciting time for the community!

From May 1 to May 31, 2024, there will be events for all community members to attend. Community Awareness showcases all of what Six Nations has to offer and is a time to come together as a community to eat, have fun, and catch up after the long winter months. We have community organizations and individuals who are excited to showcase their various departments, businesses, services, and talents to you all. There are events for everyone, whether you are looking for something to do with the family, fun & games, food, or sports! I hope you all can enjoy all Community Awareness has to offer!

I want to give a huge nia:wen'gowa to everyone involved in Community Awareness; there are so many people who contribute to making Community Awareness what it is, including the event coordinator, event hosts, and you, the community, for showing up year after year for this annual month of celebration and gathering.

Nia:wen,

Nathan Wright, Interim CEO

A MESSAGE FROM THE CHIEF

I would like to extend my gratitude to everyone involved in making this extraordinary month happen, from the event coordinators to participating individuals and organizations, and most importantly, the community, for supporting this annual celebration.

I wish you all a safe, healthy, and fun-filled Community Awareness Month. Let's come together and make this year's celebration one to remember. Nia:wen to everyone who has contributed to making this year's Community Awareness possible.

Nia:wen,
