

# PARKS & REC 2026 SEASON OUTDOOR REPAIRS

## UPCOMING REPAIRS:

The Parks and Recreation department would like to share an update regarding upcoming maintenance and repair work scheduled at our Parks and Recreation facilities. The following outdoor facilities will be having repair work completed during the 2026 season.

### BLUE RUNNING RACETRACK

The blue running racetrack will be undergoing necessary repairs from **April 13 to June 9, 2026**. The track will not be available for public use during this time.

### BALL DIAMONDS

The ball diamonds are scheduled to undergo repairs beginning in **August, following the Civic Holiday**. Please stay tuned for further details which will be shared closer to the start of this work, as some fields may be temporarily impacted.

### THANK YOU FOR YOUR PATIENCE

We appreciate your understanding and continued support as we work to maintain and improve our community recreation spaces. For questions or more info, please contact Parks & Rec:
